## NAV1® Drives Cost Savings & Efficiency

Limit unexpected costs with full system coverage offering unlimited covered repairs. If a repair/exchange is needed, you'll have a functional device with no more than a two-day turnaround — with a shipping case provided and we pay the freight.

Three scheduled training sessions are included for surgical staff, biomedical engineering, and your surgeons. Software updates are provided as they become available.

Pre-scheduled maintenance and system inspections, minor troubleshooting and adjustments, and instrument maintenance are included. And, technical phone support is readily available.
