

CLICKLINE® PRECISION INSTRUMENTS FOR GYN LAP SURGERY

Hand Instruments Tailored to Your Needs

Gynecological laparoscopy requires a broad range of instruments. Whether working to preserve tissue or manipulate the hardest fibroids, surgeons need the right tools for the job. KARL STORZ has a wide variety of best-in-class reusable forceps and other hand instruments for MIS procedures:

- Atraumatic graspers and dissectors in Maryland, Universal, and Bullet Nose styles
- Bowel graspers in normal and Prestige styles
- Teethed graspers in Tiger Jaw and Claw Forceps
- GYN-specific graspers in Tenaculum, Biopsy Punch, and Oviduct Grasper
