

# CLICKLINE PRECISION INSTRUMENTS FOR BARIATRIC SURGERY

## Hand Instruments Tailored to Your Needs

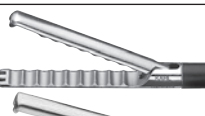

Obesity in the U.S. affects almost 1 in 5 children and 1 in 3 adults, putting people at risk for chronic diseases such as diabetes, heart disease, and some cancers. Obesity costs the U.S. healthcare system \$147 billion a year.<sup>1</sup> KARL STORZ offers a versatile solution to help tackle this issue. A line of gastric sleeve instruments that assist with bougie placement and sleeve creation, and other Bariatric surgeries.
