

THE STANDARD OF CARE IS WITHIN REACH

Protect your C-MAC[®] S USB Imagers with FLEXPack Service

FLEXPack Service Agreements cover a set number of imager replacements for any breakage over a 1 to 5-year term. With FLEXPack, you can purchase the number of replacements you need at a discounted rate. If the number of replacements is exceeded before the contract term ends, you can simply add more at the discounted price.

FLEXPack service coverage enables you to:

- Manage your repair budget with predictable monthly service fees
- Measure and compare service on a cost-per-case basis
- Only purchase what is needed with no additional fees or expenses

THE STANDARD OF CARE IS WITHIN REACH

Protect your C-MAC® S USB Imagers with FLEXPack Service

With a FLEXPack service agreement, you can protect the superior visualization technology and precision of your C-MAC® S USB Imagers while allowing your focus to remain on patient care.

The FLEXPack and C-MAC® S USB Imagers: A winning combination

- For your single-use C-MAC® S Video Laryngoscopes, add the reusable C-MAC® S USB Imagers on FLEXPack to support uninterrupted workflow and have consistent access to procedure-ready equipment
- Ensure the benefits of maintaining the highest instrument quality and latest technology — at the lowest service cost
- Experience enhanced efficiency, predictability of cost, and safer patient outcomes

Contact your local KARL STORZ representative for more information about the FLEXPack service agreement for C-MAC® S USB Imagers, or call 800-421-0837.

It is recommended to check the suitability of the product for the intended procedure prior to use.
Please note that the described products in this medium may not be available yet in all countries due to different regulatory requirements.
