

PROTECTION1® ON-SITE ENDOSCOPIC SPECIALISTS

Leverage Our Team to Lift Yours

KARL STORZ recognizes that your staff is caring for patients in a new and increasingly challenging environment. Let us lift your team by doing the heavy lifting in managing your equipment needs. A PROTECTION1® On-site Endoscopic Specialist (OES) is a dedicated, full-time resource to your team, providing daily face-to-face support in the perioperative space. The OES keeps your equipment functioning like new and provides expert troubleshooting, education, and problem prevention. Our OES program helps you:

- **Ensure safety and compliance** with the support of full-time subject matter experts
- **Save time** with right and ready equipment for your MIS procedures
- **Save dollars** by maximizing the life of your equipment and minimizing repairs
- **Increase satisfaction** of your clinicians and staff

KARL STORZ – ENDOSKOPE

PROTECTION1[®] ON-SITE ENDOSCOPIC SPECIALISTS

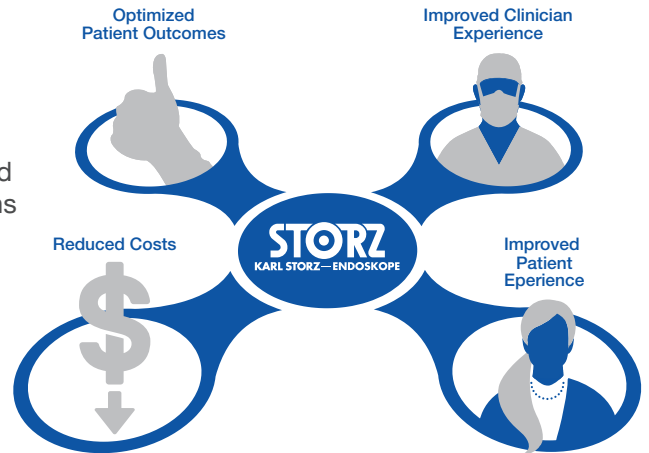

Leverage Our Team to Lift Yours

Who will feel the lift?

The On-site Endoscopic Specialist program has been shown to have significant clinical, operational, and financial benefits such as increased overall satisfaction, decreased downtime, and reduced costs. Clinicians and staff throughout your facility will reap the rewards of the OES program while the focus remains on patient care.

What services will you get?

Your local KARL STORZ representatives will sit down with you to customize a solution that leverages our on-site personnel to provide the greatest lift to you and your team.
